You must have a separate email address for the parent/guardian and for each athlete you will register. You cannot use the same email multiple times.

1. Register on Sports Engine via QR code or emailed link/link below:
<https://ecumenical-athletic-association.sportngin.com/register/form/374886766>

2. Create an account on Sports Engine, one account at a time.

You must create an account each using separate emails:

- Account for the parent/guardian
- Account for each athlete you are registering

****** You cannot use the same email multiple times, each email address must be unique to the person, as required by the website.

3. Once logged in with your email and on the first page, scroll all the way to the bottom and hit continue.

****** At the moment, we are offering only a Fall Sport (working on coming seasons) Select Cross Country in the drop down menu under the Season Fall. For all other seasons, select “Not Applicable” until further notice.

4. Registrant Type: if you are filling this form out for your athlete - select Dependent Athlete

5. All sections must be filled out until you can move on to the next page: Emergency & Medical Contact Information.

6. Before you are able to submit your registration, you must complete the free Concussion Course with the associated link.

Here is the link:

<https://nfhslearn.com/courses/concussion-in-sports-2>

At the end of the video, you will be able to download your certificate. Upload the certificates to the last page of your Sports Engine account. Once successfully registered, you will receive an email with your Athlete’s Registration Confirmation.
